MEET ME IN THE STAIRWELL

You say you will never forget where you were when you heard the news on September 11, 2001. Neither will I. I was on the 110th floor in a smoke filled room with a man who called his wife to say 'Good-Bye.' I held his fingers steady as he dialed. I gave him the peace to say, 'Honey, I am not going to make it, but it is OK. I am ready to go.'

I was with his wife when he called as she fed breakfast to their children. I held her up as she tried to understand his words and as she realized he wasn't coming home that night.

I was in the stairwell of the 23rd floor when a woman cried out to Me for help. 'I have been knocking on the door of your heart for 50 years!' I said. Of course I will show you the way home - only believe in Me now.'

I was at the base of the building with the Priest ministering to the injured and devastated souls. I took him home to tend to his Flock in Heaven. He heard my voice and answered.

I was on all four of those planes, in every seat, with every prayer. I was with the crew as they were overtaken. I was in the very hearts of the believers there, comforting and assuring them that their faith has saved them.

I was in Texas , Virginia , California , Michigan , Afghanistan. I was standing next to you when you heard the terrible news. Did you sense Me?

I want you to know that I saw every face. I knew every name - though not all knew Me. Some met Me for the first time on the 86th floor.

Some sought Me with their last breath. Some couldn't hear Me calling to them through the smoke and flames; 'Come to Me... this way... take my hand.' Some chose, for the final time, to ignore Me. But, I was there.

I did not place you in the Tower that day. You may not know why, but I do. However, if you were there in that explosive moment in time, would you have reached for Me?

Sept. 11, 2001, was not the end of the journey for you. But someday your journey will end. And I will be there for you as well. Seek Me now while I may be found. Then, at any moment, you know you are 'ready to go.'

I will be in the stairwell of your final moments.

So Many Give So Much

I AM THE FLAG OF THE UNITED STATES OF AMERICA

I am the flag of the United States of America. My name is 'Old Glory.' I fly atop of the world's tallest buildings. I stand watch in America's halls of justice. I fly majestically over institutions of learning. I stand guard with power in the world. Look up and see me. I stand for peace, honor, truth and justice. I stand for freedom. I am confident. I am arrogant. I am proud. When I am flown with my fellow banners, my head is a little higher. My colors, a little truer. I bow to no one! I am recognized all over the world. I am worshipped. I am saluted. I am loved. I am revered. I am respected. And I am feared.

I have found in every battle of every war for more than 230 years. I was flown at Valley Forge, Gettysburg, Shiloh and Appomattox. I was there at San Juan Hill, the trenches of France, in the Argonne Forest, Anzio, Rome and the beaches of Normandy, Guam, Okinawa, Korea and Khesan, Saigon, Vietnam know me. I'm presently in the mountains of Afghanistan and the hot and dusty deserts of Iraq wherever freedom is needed.

I led my troops, I was dirty, battleworn and tired but my soldiers cheered me and I was proud. I have been burned, torn and trampled on the street of countries I have helped set free. It does not hurt for I am invincible. I have been soiled upon, burned torn and trampled in the streets of my country. And when it's done by those whom I've served in battle --it hurts. But I shall overcome --- FOR I AM STRONG! I have slipped the bonds of earth and stood watch over the uncharted frontiers of space from my vantage point on the moon. I have borne silent witness to all of America's finest hours. But my finest hours are yet to come. When I am torn into strips and used as bandages for my wounded comrades on the battlefield, when I am flown at half-mast to honor my soldier, or when I lie in the trembling arms of a grieving parent at the grave of their fallen son or daughter. I AM PROUD!!
